

CKNW Kids' fund

2022 Impact Overview

At the CKNW Kids' Fund, we keep our funding criteria flexible in order to meet the unique requests we receive all year long from families in our communities.

In 2022, 493 families were helped in over 53 communities throughout Metro and Greater Vancouver, Fraser Valley, Okanagan, and Vancouver Island.

We would like to give a big thank you to our donors - our support made a remarkable difference in the lives of BC's kids!
